## Senior Pet Grooming Release

Our goal at The Retreat at Creekside is to ensure that your pet has the most stress-free and pleasant visit possible, even if they are a senior. At the Retreat at Creekside, we consider all pets 7 years and older to be considered Senior Pets.

When senior pets are groomed, there are subjected to stress due to being in an unfamiliar environment. This stress can potentially cause latent physical conditions to become active and potentially life-threatening. If we notice any potential signs or potential illness, we may notify you during or after your service and recommend a trip to your veterinarian for care.

I understand that if my pet is a **senior**, has any mild **medical conditions**, or their behaviour requires extra **muzzling or restraint during service**, they will only receive a **Comfort Groom**. Initial:     

I have provided documentation from my vet that my pet has a **clean bill of health** and is allowed to be groomed (senior pets or pets with medical conditions). Initial:
